

Special event add-on options

Explore our lineup of interactive activities designed to spark curiosity and create lasting memories for groups and families amidst the world of science, technology, and innovation.

Nitro Ice Cream Blast (with samples)

Watch as a creamy mixture transforms into ultra-smooth ice cream, flash-frozen with liquid nitrogen at a chilly -196°C . Enjoy the fun, swirling clouds while savoring delectable sample!

Price: Starting at \$500 for 100 samples

Duration: 60-75 minutes

Hair-raising Electricity: Van de Graaff Experience

Step into the electrifying world of science! Take turns feeling the buzz as the Van de Graaff Generator makes your hair stand on end. Gather together to create electric chains and enjoy this fun and shocking experience for all ages!

Price: Starting at \$250

Duration: 60-90 minutes

Vintage Wheels: Old-fashioned Bicycle Demonstrations (up to 3 bikes)

Hop on one of the replica bicycles of yesteryear, like the sociable, a side-by-side tandem bike, and share the ride with a fellow adventurer. Or, try the energy bike – can you pedal hard enough to charge your phone? Fun and challenges for everyone!

Price: Starting at \$250

Duration: 60-90 minutes

Pyro or Cryo Demonstration

Take in one of our large-scale, explosive science shows! Our interactive shows explore the chilling effects of super-cooled liquid nitrogen gas or experiment with fire-powered technology!

Price: Pyro starting at \$250 | Cryo Starting at \$350

Duration: 30 minutes

Scavenger Hunt

Turn your museum visit into an adventure! Armed with clues and challenges, explore the exhibits, uncover hidden treasures, and learn fascinating facts. Team up for a fun-filled, interactive quest. Ready, set, seek – let the hunt begin!

Price: Complimentary – Entire group

Duration: Flexible timing

Chain Reaction Challenge

Get together to build an amazing chain-reaction machine! Use everyday materials in unexpected ways to create a fun and interactive machine with lots of moving parts. Can your group design the craziest contraption?

Price: Starting at \$350 for 25 people

Duration: 60-90 minutes

Bridge Builder Showdown

Get involved in building a bridge! Test your engineering skills by designing and constructing your own structure, then see how much weight it can hold before it collapses. Who in your group will build the strongest bridge?

Price: Starting at \$350 for 25 people

Duration: 60-90 minutes

Water Rocket Launch (Outdoor only)

Ready for lift-off? Build your very own water rocket and blast it into the sky! This hands-on activity lets your group become rocket scientists as you harness the power of air and water to launch your creation.

Price: Starting at \$350 for 25 people

Duration: 60-90 minutes

DIY Pinball Machine

Design and build your very own pinball machine! Using a variety of materials, challenge your creativity and reflexes in this unique DIY experience. Build, play, and compete in a game that's fun for all ages.

Price: Starting at \$350 for 25 people

Duration: 60-90 minutes

Playable Tech

Discover the world of tech toys and gadgets in this interactive playground! From robots to programmable structures, there's something for everyone, young and old alike. Plug in, code, and unlock endless possibilities for fun and discovery!

Price: Starting at \$350 for 75 people

Duration: 60-90 minutes
